

Full-length Movie Permission

Dear Parents,

Our school requires parental permission for your student to view movies that are used in our curriculum, or that are selected by our teachers, which are rated PG-13 or R.

I believe showing your son or daughter full-length movies enables them to benefit from another medium as a resource in their study of literature.

Movies, along with our hands-on activities such as reading, in-class discussion groups, and research projects, give students a well-rounded opportunity to discover literature. Movies go beyond dry facts and help bring books "alive."

Be assured that we will use proper discretion when showing full-length movies.

My _____ class just finished a unit on the _____. To conclude this unit, I will be showing the movie _____ on _____ . This movie is rated _____. If you do not want your child watching this movie an alternative assignment will be available.

Please detach the bottom of this permission form and return it with your son or daughter by _____.

Thank you for taking the time to read and sign this permission form.

Sincerely,

(detach here)
