

Response Summary:

Q33. Please provide the top priorities the school district has determined as the most pressing needs for students and schools within the school district as a result or in response to the COVID-19 pandemic. You may elect between 1-3 priorities by checking the box and providing the text response.

- Priority 1:
Student and staff safety in the school setting. Funds will be used for sanitization supplies, PPE, and additional custodial staff and cleaning supplies.
- Priority 2:
Student learning loss will be addressed with the addition of another Title 1 teacher that will provide math interventions for students in 5th-12th grade. Class size reduction will be attained by hiring additional staff. ESSER funds will also be used for reading and LA interventions.
- Priority 3:
Updating the HVAC systems in both buildings. This will include the improvement of air quality in the heating system and replacing antiquated ventilators and windows that leak outside air. --2022 this project looks to be complete by the end of November 2022.

Q42.

Goal Action Plan, Part 2:

Identify what strategies/action steps will be used to support the achievement of the goals.

Describe a realistic and achievable timeline to achieve the goals.

Identify who is responsible to ensure the strategies/action steps are achieved.

Click the box and provide the text response for each applicable box.

- Math Goal Strategies, Actions, Timelines, and Assignments:
Continue to determine the level of proficiency of students using SBAC scores, ACT, MAP, DIBELS, classroom assessments, and other in-program assessments. After analyzing these assessments, the district will utilize targeted and strategic interventions and supports to improve student achievement. My Voice and YRBS data are reviewed periodically. Classroom teachers will be provided with necessary PD to effectively utilize the interventions and supports. Administration will ensure supports and interventions are being administered with fidelity by classroom walk-throughs, 1-1 teacher/admin meetings and staff trainings. The goals will be re-evaluated on a quarterly basis aligning with in-house academic reporting (report cards) and a thorough evaluation of SBAC scores is reviewed each fall and spring of the current year. Assignments align to curriculum map by grade level. Individual classroom teachers are responsible to ensure the strategies/steps are achieved and Chris Toynbee, Administrator, will corroborate that these actions are met. ---2022 The district will begin to have the sophomore class take the Pre-ACT to familiarize themselves with the test. The district will also purchase graphing calculators that are allowed for the testing so student will understand how to use the calculators on the exam.
- ELA Goal Strategies, Actions, Timelines, and Assignments:
Continue to determine the level of proficiency of students using SBAC scores, ACT, MAP, DIBELS, classroom assessments, and other in-program assessments. After analyzing these assessments, the district will utilize targeted and strategic interventions and supports to improve student achievement. My Voice and YRBS data are reviewed periodically. Classroom teachers will be provided with necessary PD to effectively utilize the interventions and supports. Administration will ensure supports and interventions are being administered with fidelity by classroom walk-throughs, 1-1 teacher/admin meetings and staff trainings. The goals will be re-evaluated on a quarterly basis aligning with in-house academic reporting (report cards) and a thorough evaluation of SBAC scores is reviewed each fall and spring of the current year. Assignments align to curriculum map by grade level. Individual classroom teachers are responsible to ensure the strategies/steps are achieved and , administrators will corroborate that these actions are met.
- Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.) Strategies, Actions, Timelines, and Assignments:
Monitor daily attendance lists for both staff and students and analyze data for specific student groups and populations . Work with school counselors and community liaisons to reduce and or remove any barriers to learning or attending school. Review all data on a weekly basis to gauge trends and possible health occurring issues. Individual classroom teachers are responsible to ensure the strategies/steps are achieved and administrators will corroborate that these actions are met.

Q71.

Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

- **Math Goal:**
Using the Smarter Balanced Assessment as one of the primary data points the district goal is to increase the percentage of students scoring proficient in grades 3-8 by 10% in Math from 24% in the Spring of 2021 to 34% on the SBAC in the Spring of 2022. (3 yr. trend is 27%). Using the ACT as one of the primary data points the goal is to increase the ACT math score for district 11th graders to 19.1 on the ACT test. 3 yr. average was 18.6 in 2019.---2022 It is the goal of the district to increase the ACT test score of Juniors again to a score of 19. Math Map scores grade 3-8: improve student performance to reduce the "low" and "low average" percentages to less than 10% in each category.
- **ELA Goal:**
Using the Smarter Balanced Assessment as one of the primary data points the district goal is to increase the percentage of students scoring proficient in grades 3-8 by 5% in ELA from 32% in the Spring of 2021 to 37% on the SBAC in the Spring of 2022. (3 yr. trend is 34%). Using the ACT as one of the primary data points the goal is to increase the ACT ELA English score for district 11th graders to 17.6 on the ACT test. 3 yr. average was 17.1 in 2019. - 2022 ELA MAP scores grades 3-8: improve student performance to reduce the "low" and "low average" percentages to less than 10% in each category.
- **Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.):**
The district has a goal of having 100% in-school learning and attendance for the 2021-22 school year. The administration and teaching staff will work collaboratively to support and monitor implementation of evidence-based interventions to identify the most effective interventions employed. Data collected and analysis will include instructional time indicators including excessive absenteeism by both staff and students; the goal will be to reduce absenteeism and remove any barriers to learning to for families and ensure that families have the needed resources to support the needs of students disproportionately impacted by COVID-19. 2022 - Increase family night engagement by 20% in TK-7 grades and by 40% in grades 8-12

Q34. When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc.

The data for these priorities was gathered from state SBAC testing, district MAP testing, energy/air quality audits and project manager findings from building inspections.

Q8. What is your school district phone number?

4068211314

Q53. How will the District monitor the impact of the ARP ESSER funded interventions or strategies, including but not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted?

All interventions are reviewed by the MTSS team on a bi-weekly basis to ensure the fidelity of research based interventions. The title 1 and special education departments use MAP data and Dibels Next progress monitor data to measure student growth. Classroom intervention data is recorded in Mileposts and reviewed weekly by teachers. Mental health case loads and concerns are tracked by the school counselors electronically and reviewed weekly. This is also true for the homeless population that is tracked and reviewed bi-weekly. The district uses Infinite Campus to track attendance and reviewed for interventions such as attendance contracts and home visits.

Q48. How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ESSER Fact Sheet for more information. Choose all evidence-based practices that apply.

- Access to and effective use of technology
- Mental health supports
- Hiring new staff and avoiding layoffs
- Meeting the nutritional needs of underserved students
- Providing safe, healthy, inclusive learning environments
- Purchasing supplies to sanitize and clean the facilities
- School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.

Q11. Please indicate your role in the district.

- District-level Administrator

Q58.

Please provide the estimated number of jobs (FTEs) that have been or will be created by the school district through the district's planned use of ESSER III Funds.

3

Q15. Describe your Math goal for each identified student group.

The goal for the identified group is: 1. To increase the percentage of Economically Disadvantaged students scoring proficient in grades 3-8 by 10% in Math on the SBAC in the Spring of 2022. District 2021 average was 25% proficient. 2. To increase the percentage of SPED students scoring proficient in grades 3-8 by 15% in Math on the SBAC in the Spring of 2022. District 2021 average was 0% proficient. 3 yr. trend = 2.5% proficient 3. To increase the ACT math score for economically disadvantaged students in grade 11 by .5 on the ACT test. In 2022, our goals remain the same.

Q14. For which of the following student groups do you have a distinct Math goal? Choose all that apply.

- Students with Disabilities
- Free and Reduced Lunch
- Homeless

Q57. Please select each type of federal funding you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

- Title I, Part A of the ESEA (Improving Basic Programs Operated by LEAs)
- Title II, Part A of the ESEA (Supporting Effective Instruction)
- Title IV, Part A of the ESEA (Student Support and Academic Enrichment Grants)
- Carl D. Perkins Act Career and Technical Education Act
- IDEA, Part B (Coordinated Early Intervening Services)

Q12. If you are planning to use ARP ESSER funds for prevention and/or mitigation strategies, please select the evidence-based practices below and/or describe an additional practice in the Other box.

- Mental health supports
- Social emotional learning
- Academic support
- Hiring new staff and avoiding layoffs
- Meeting the nutritional needs of underserved students.
- Locating absent students and re-engaging disconnected youth
- Providing safe, healthy, inclusive learning environments.
- Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases
- Purchasing supplies to sanitize and clean the facilities
- Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.
- School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement

Q59.

Please provide the estimated number of jobs (FTEs) that have been or will be retained by the LEA through the LEA's planned use of ESSER III Funds.

3

Q51. How do you plan to use ARP funds to support and stabilize the educator workforce? Choose all that apply.

- Cover costs of offsetting the need to furlough or reduce the salaries of school-based staff
- Cover costs of bonuses for recruiting and retaining educators and support personnel
- Class-size reduction
- Additional professional development for school leaders, teachers, and staff (trainings, extended professional development days, programs, etc.)
- Staffing additional physical and mental health support staff (counselors, social workers)

Q67. If you are planning to develop or use approaches that are novel to achieve your Math, ELA, or other goal, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

None

Q5. Please choose your county and district from the dropdown.

County	Ravalli
District	Ravalli ~ Darby K-12 Schools, LE0740

Q26. What method(s) did you use to seek stakeholder input? Choose all that apply.

- Social media
- Email
- Other (please identify in the box below):
In person conversations

Q60. Did you coordinate ARP ESSER funds with other federal funds to address student needs?

- Yes

Q16. Describe your ELA goal for each identified student group.

The goal for the identified group is: 1. To increase the percentage of Economically Disadvantaged students scoring proficient in grades 3-8 by 5% in ELA on the SBAC in the Spring of 2022. District 2021 average was 33% proficient. 2. To increase the percentage of SPED students scoring proficient in grades 3-8 by 10% in ELA on the SBAC in the Spring of 2022. District 2021 average was 7% proficient. 3 yr. trend = 3.5% proficient 3. To increase the ACT ELA English score for economically disadvantaged students in grade 11 by .5 on the ACT test. In 2022, our goals remain the same.

Q65. Describe your Other goal for each identified student group.

None

Q6. Who is submitting this form?

Tony Biesiot

Q9. What is your official school district email address?

tbiesiot@darby.k12.mt.us

Q25. ARP ESSER requires school districts to consult with a wide variety of stakeholders when developing a plan. Please select all of the following groups of stakeholders your district consulted and/or plans to consult.

- Parents
- Students
- Teachers
- Staff
- County health departments

Q24. Please indicate which of the following student groups specifically referenced in ARP ESSER were more affected than others in your district. Choose all that apply.

- Economically Disadvantaged (Free and Reduced Lunch)
- Children with Disabilities

Q23. Please indicate the type of data you are obtaining and using to monitor outcomes.

- Early Warning System
- Summative assessments
- Chronic absenteeism
- Student engagement
- Use of exclusionary discipline
- Advanced coursework
- Access to technology
- Access to mental health and nursing staff
- Classified and certified staff (numbers of positions or people)
- Summer, Afterschool, and ESY enrollment
- Health protocols

Q21. How do you plan to spend the required 20% set-aside to address lost instructional time? Choose all evidence-based practices that apply.

- Evidenced-based curriculum
- Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.
- Accelerating learning through instructional approaches: Summer learning and enrichment: Summer learning programs, camps, community partnerships, work-based learning or community service that provide high-quality instructional and are designed to meet the social and emotional needs of student through engaging and enriching experiences.
- Access to and effective use of technology
- Engaging families in digital learning training and effectively using technology and platforms
- Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction
- Providing information and assistance to parents and families on how they can effectively support students
- Tracking student attendance and improving student engagement provided by the school
- Access to advanced coursework, dual enrollment, work-place learning, and/or internships
- Career, Technical, and Agricultural Education expenses (approved under Perkins Act)
- Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs

Q64. For which of the following student groups do you have a distinct goal other than Math or ELA? Choose all that apply.

- None

Q63. For which of the following student groups do you have a distinct English Language Arts (ELA) goal? Choose all that apply.

- Students with Disabilities
- Free and Reduced Lunch
- Homeless

Montana School District ARP ESSER Plan Update

This tool allows districts to update their ARP ESSER plans at any point. Updates must be completed at least once every six months.

Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

1. use funds to implement prevention and mitigation strategies;
2. use the funds totaling not less than 20% to address lost instructional time;
3. spend its remaining 80% of ARP ESSER funds;
4. respond to needs of student disproportionately affected by the pandemic; and
5. meaningfully engage with and consult stakeholders in crafting their plans.

Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and
- iii. identify, reengage, and support students who have experienced the impact of lost instructional time.

The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

Initial ARP-ESSER plans were developed through the use of a template. This plan update tool will provide districts with their most recent plan submission presented with the same fields and sections as their initial plan.

The sections of this tool match the sections of the template provided for districts to use for the creation of their plans.

The template sections are as follows:

1. School District-Identified Priorities
2. Meaningful Consultation
3. Goals
4. Coordinating Funds
5. Creating Safe and Healthy Learning Environment
6. Addressing Lost Instructional Time
7. Supporting the Educator Workforce
8. Monitoring and Measuring Impact of ARP ESSER funds

Prior to updating your school district ARP ESSER plan, consider the following:

What data do you have available to you to measure the impact of your work and guide plan adjustments?

What feedback have you received from stakeholders around your plan and/or your plan implementation?

What steps have you taken to engage stakeholders in your update process?

Instructions for updating your school district ARP ESSER plan

- Review the information in each field to verify that it matches the information you have at the local level. In the event that there is a difference please update any impacted fields during your update process.
- It is recommended that you complete your plan revision in a single sitting. If you are unable to do this please click through to the end of the survey and note on the final page that this submission represents an unfinished update draft.
- After you hit submit you will receive an email that contains a link that you can use for your next update. If you were submitting a draft update please be sure to return to complete your draft before the deadline.

Resources to help with completing your plan

- [Curriculum Selection](#)
- [Acceleration Guidance](#)
- [ESSA Tiers of Evidence](#)
- [Gap Analysis Tool](#)
- [U.S. Department of Education FAQ - ESSER/GEERS](#)
- [FAQ's of Maintenance of Equity Requirements](#)
- [Montana Office of Public Instruction ESSER website](#)
- [SEL Priorities](#)

Next Steps:

- When you submit your update you will receive a confirmation email that contains a link to access a PDF of your

plan submission and a link to complete your next update.

Please review the information in these fields and verify that it reflects the submission of this update.

Q74. Describe the stakeholder consultation that was completed to inform this update. Include dates, locations, and links where relevant.

Share information with two community stakeholder groups. As well as casual conversation with stakeholders in the community. The information will also be made available at our Nov. school board meeting and then posted on our website.

Q75. Please write a summary statement describing this update. Example: "This submission reflects our first update of our plan in November of 2021"

This submission reflects our first update to our plan since I this past Spring of 2022. Information entered in this update in this document is a collaboration of school officials and community stakeholders.

1. School District-Identified Priorities

2. Meaningful Consultation

3. Goals

4. Coordinating Funds

Identify other federal funding that you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

5. Creating Safe and Healthy Learning Environments

Determine if ARP funds will be used to **implement prevention and mitigation strategies**, to the greatest extent practicable, in order to continuously operate schools for in-person learning.

6. Addressing Lost Instructional Time

Describe how the school district will use ARP ESSER funds it reserves under Section 2001(e)(1) of the ARP Act to **address lost instruction time** through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions should be considered including personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidenced-based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices may be found at [OPI's Multi-Tiered Systems of Support](#) page.

7. Supporting the Educator Workforce

Determine if ARP funds will be used to support and stabilize the educator workforce consistent with Section 2001 (e) (2) of the ARP Act.

8. Monitoring and Measuring Impact of ARP ESSER funds

You have reached the end of the LEA ARP ESSER Plan Update Tool.

Please take a moment to verify that your plan is fully updated. This is your last opportunity to use the back buttons to update or edit your responses before submitting.

When you are ready to submit please respond to the items below to ensure that the OPI is able to process your submission.

Q77. Please select the statement below that accurately describes your role:

- I am the Authorized Representative for this district.

Q78. Please select the statement below that accurately describes this submission:

- This is the first time we are submitting this plan update

Q79. Please Sign Here

[\[Click here\]](#)

Q68. If you are planning to develop or use approaches that are novel to implement prevention and mitigation strategies, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

N/A

Q70. If you are planning to develop or use approaches that are novel to address lost instructional time, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

N/A

Q69. If you are planning to develop or use approaches that are novel to support and stabilize the educator workforce, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

N/A
